

Off Taker: Bennington College

Site Location: Deerfield Valley, Vermont

Client Objectives: Through a genuinely distinctive education, Bennington cultivates a mindset for change, a capacity to break new ground, the conditions for progress. Bennington graduates are notably confident in their capacity to engage and succeed in the world because, at Bennington, learning and making—on campus and in the field—are inseparable. Bennington is committed to sustainable growth and environmental health. Entering into a 20 year PPA, Bennington is able to meet their environmental goals and reduce their fixed energy expense.

Our Solution:

1.5 MW Ground Mounted Solar PV

Benefits:

OpEx savings with no capital outlay by Bennington via a Turnkey Solar PV PPA Solution. Grid Energy Savings over 20-year term
